(13) I hereby appoint my private Secretary, **William T. Otis,** who is familiar with the details of my estate, to assist the Trustee and Executor in the protection of the estate and the carrying out

of the provisions herein contained. It is to be understood that the said William T. Otis shall not be required to devote his entire time to this matter, but only so much as the Trustee and Executor shall deem necessary, or for detailed information required by George R. Burt, my son. So long as said Otis shall consent to assist the Trustee and Executor he shall receive as compensation
pensation for his services the sum of Four ($4,000.00) Dollars per annum to be paid to him by the Trustee and Executor from the funds of the estate. Said Otis to have free access to all books, documents and records of the estate at any and all times.

(14) All payments herein provided shall be made each year, according to the provisions hereinbefore made, but shall the income for any year not be sufficient to make all the payments herein provided, then, in that event, a sum sufficient shall be taken from the principal of the estate so that all payments herein provided may be made in full.

(15) All annuities and annual payments herein provided shall be paid in equal quarterly installments on the Fifteenth days of January, April, July and October in each year, and such payments shall begin at the first payment date above mentioned after the Trustee and Executor accepts the Trust and takes charge of the estate, or not to exceed Three months thereafter.

(16) All payments to beneficiaries mentioned in this will shall cease at their death and not extend to their heirs. All annuities and all payments provided for in this will are limited and conditioned to continue only during the period of the Trust created by this will. At the expiration of the Trust, as hereinafter provided, all annuities and payments shall cease. In no event shall any annuity or payment provided herein continue after the time hereinafter specified for the termination of the Trust.

(17) In making the foregoing bequests it is my intention that the amounts herein provided to be paid, shall be paid directly and only to the beneficiaries herein named, or their proper guardian, and that no legal title is passed to them that shall be subject to garnishee or attachment by creditors, or that they can make any transfer of, either by order or assignment, or any other document, which could be binding upon or accepted by the Trustee and Executor. The Trustee and Executor is not authorized to pay on any such order or transfer, but the funds shall remain in the Trust, to be paid only to each beneficiary, or their proper guardian, at the times stated herein, until they shall cease to be beneficiaries, according to the terms and conditions herein provided. All payments to be made directly to each beneficiary or their proper guardian, who shall, at that time, receipt to the Trustee and Executor therefor, and the Trustee and Executor shall accept no other receipt except for the money actually paid to each beneficiary or their proper guardian.

7

(18) All funds arising from income from securities belonging to the estate, or from the payment of securities themselves as they may be paid or as they may become due, or from the proceeds of the sale of anything belonging to the estate, or from royalties from iron mines, or from any other source, after making all the payments herein provided, the surplus funds remaining on hand shall be invested every Thirty days, as nearly as may be, by the Trustee and Executor, in United States Government bonds, State bonds or bonds of the Cities of New York, Chicago or Detroit, Michigan, so long as they shall yield Three per cent or better. No bond shall be purchased for the estate which cannot be listed under Michigan laws with the County Treasurer as to taxes. All bonds purchased for the estate shall be listed at once and the tax paid the County Treasurer, making the bonds tax exempt after so listing and paying the fee, and no bonds shall be bought for the estate which cannot be so listed and made tax exempt, if the law remains as it now is.

3

(19) The iron mines, iron mining stocks or interests in iron mines located in the State of Minnesota, of which I may die possessed, shall not be sold or in any way encumbered by the Trustee and Executor. All the iron mine leases in Minnesota shall continue as now leased. All other real estate shall be disposed of from time to time as the opportunity occurs, at the best prices obtainable, and the proceeds of such sales shall be invested in the manner hereinbefore provided for surplus funds.

(20) The Trust herein created shall continue for and during the period of the lives of my two grandsons, **Wellington Burt Hay** and **Wellington R. Burt.** Upon the death of the last survivor of these two grandsons, all the real estate remaining in the Trust shall be distributed among my legal heirs, but all personal property shall continue in the Trust for Twenty-One years after the death of my last surviving grandchild that shall be living at the time of my death, and shall be subject to the terms and conditions hereinbefore set forth. At the end of Twenty-One years after the death of my last surviving grandchild that shall be living at the time of my death, the Trust shall terminate and all the funds of every name and nature remaining in the Trust shall be distributed to my legal heirs.

(21) As compensation for the carrying out of the provisions herein contained the Trustee and Executor is to have One-half of One per cent on all moneys received from the estate to cover all their services for receipts and disbursements. However, should One-Half of One per cent on the receipts from the estate amount in any one year to less than Three Thousand Five Hundred ($3,500.00) Dollars, then, in that event, the Trustee and Executor is to have as compensation for its services for that year a sum from the funds of the estate, which taken with the One-half of One per cent on the receipts received for that year shall make a total of Three Thousand Five Hundred ($3,500.00) Dollars as compensation to the Trustee and Executor for that year. In other words the Trustee and Executor shall receive One-half of One per cent on all receipts from the estate

even if such sum shall exceed Three Thousand Five Hundred ($3,500.00) Dollars in any one year, but if One-Half of One per cent is less than Three Thousand Five Hundred ($3,500.00) Dollars in any one year enough shall be taken from the funds of the estate to make the total up to Three Thousand Five Hundred ($3,500.00) Dollars as remuneration to the Trustee and Executor for that year.

(22) The Trustee and Executor shall make a yearly report in detail to my son, **George R. Burt,** as to the condition of the estate.

(23) In the event of the Trustee and Executor herein named being for any reason unable to carry out the terms and conditions as herein stated, or to perform the duties as Trustee and Executor, then the Court of Record, having jurisdiction over such matters, shall appoint a successor, who shall be some Bank or Trust Company having a paid up capital of at least Five Hundred Thousand ($500,000.00) Dollars, which Bank or Trust Company upon receiving such appointment shall be qualified and vested with all the powers of the Trustee and Executor herein named, and shall carry out the Trust to its final termination, in accordance with the terms and conditions herein specified, application for such appointment being made by any one who may be interested as a beneficiary or final distributee.

The Probate Court for the County of Saginaw

To the Probate Court for said County:

IN THE MATTER OF THE ESTATE OF WELLINGTON R. BURT, Deceased.

I, George R. Burt, respectfully represent that I reside in the City of Battle Creek, in the County of Calhoun, Michigan, and am interested in said estate and make this petition as one of the heirs at law and one of the beneficiaries named in the last will and testament of said deceased.

I further represent that a petition has been made to said court for the appointment of a general executor of said estate, which petition is now pending; that such appointment will be delayed on account of the length of notice thereof, required by law to be given to all persons interested; that there is estate belonging to said deceased situate and being in said county and elsewhere, to be administered, and that the estimated value thereof is as follows: Real estate, $1,000.00 and upwards or thereabout; personal estate, $100,000.00 and upwards or thereabout, as I am informed and believe.

I further represent that it is necessary that a special administrator of said estate be appointed to collect, take charge of, preserve and manage the same, for the following reasons: That there are many things to be done to preserve the value of securities, collections to be made, statements concerning taxes to be prepared, and sundry other and general acts to be done necessary to preserve and care for said estate; that many of the valuable papers belonging to said estate are deposited in one or more safe deposit boxes, access to which cannot be obtained unless demanded by some proper authority duly appointed and designated by this court; and that the best interests of said estate require the immediate appointment of a special administrator to immediately take possession of the property belonging to said estate and supervise and care for the same.

I therefore pray that The Second National Bank of Saginaw, Michigan, or some other suitable person be appointed special administrator of said estate.

To the Probate Court:-

Your petitioner, The Second National Bank of Saginaw, Special Administrator of said estate, duly qualified and acting under Letters of Special Administration given by this Court on March 19th, 1919, respectfully represents:

That the individual income tax return due from said estate for 1918 must under the laws and regulations of the Internal Revenue Department of the United States be filed on or before March 15th, 1919, and twenty-five per cent of the taxes due paid at that time, and that failing in doing so said estate may possibly be subjected to penalties and the payment of interest; that said deceased in his lifetime made provision for the payment of such tax by the purchase of Treasury tax Anticipation Certificates due March 15th, 1919, which he intended to use in the payment of such income tax for 1918 as his return when made would require; that said income tax return is now ready to be filed and that enough of said certificates can be now used to pay said twenty-five per cent and the remainder of said certificates surrendered for other certificates due at later dates and made available for future payments upon said income tax.

Your petitioner therefore asks for an order of this Court authorizing the execution and filing of said income tax return, the use of enough of said Treasury Certificates to pay twenty-five per cent of the tax at once, and authority to exchange the other Treasury Tax Certificates for others maturing at a later date or dates.

To the Probate Court:-

Your petitioner, The Second National Bank of Saginaw, Special Administrator of said estate, duly qualified and acting under Letters of Special Administration given by this Court on March 10th, 1919, respectfully represents:

That taxes for 1918 upon lands in the State of Oregon owned by said deceased are about to become due and payable; that if one-half of such taxes are not paid by the first Monday in April, 1919, large penalties and a heavy rate of interest will be imposed and added thereto; that by the payment of one-half of the taxes when due such penalties and interest can be saved to said estate and the other one-half of such taxes paid in October, 1919, without detriment to the interests of said estate.

That certain of the securities owned by said deceased represent investments subject to taxation and upon which the mortgage registration tax can be paid, and to conform with the practice of deceased in respect to such matters, and as a measure of economy for said estate, such mortgage registration tax should be paid upon such securities as now lack certificate thereof.

Your petitioner therefore asks for an order of this Court authorizing the payment of one-half of the taxes to be due in the State of Oregon on the first Monday in April, 1919, and the payment of the mortgage registration tax upon such securities now in its hands legally qualified therefor and which have not been heretofore registered in respect to mortgage registration taxes.

Your petitioner, MARY BELL BURT, a resident of Fayette County, in the State of Kentucky, the widow of Charles W. Burt, deceased, late of Fayette County, Kentucky, represents,

That the said Charles W. Burt was a son of Wellington R. Burt, who died a resident of Saginaw, Michigan, March 2, 1919; that the said Charles W. Burt died a resident of Fayette County, Kentucky, (near Lexington) on the 31st day of July A. D., 1917, leaving surviving him, your petitioner, who is his widow, and Alice Amine Burt now of the age of 20 years, Mary Bell Burt now of the age of 17 years and Marion Stone Burt now of the age of 14 years, his only children and heirs at law; that all of his said children are now residing with your petitioner in the County of Fayette, in the State of Kentucky, and that your petitioner is the mother and next of kin of all of said infants.

That there has been filed in the Probate Court for the County of Saginaw a petition praying for the probate of an instrument purporting to bear date August 8, 1917, with three alleged codicils thereto attached, purporting to be the last will and testament of said Wellington R. Burt, deceased, which said alleged will and alleged codicils thereto are now on file in the Probate Court for the County of Saginaw, to which reference is hereby made for greater certainty.

3. That on information and belief, your petitioner alleges that said Wellington R. Burt, deceased, left an estate of the value of upwards of Five Million Dollars within the County of Saginaw, State of Michigan, and had large amounts of property in the States

4. That your petitioner's said daughters have a legal right and are entitled to object to the probate of said alleged will and the alleged codicils thereto, and that they are entitled to contest and have set aside said alleged will and testament including the alleged codicils thereto.

5. That said infants, your petitioner's said daughters, respectively, have estates in the County of Saginaw, State of Michigan, as heirs at law of said Wellington R. PROBATE COURT FOR THE COUNTY OF SAGINAW

.....

IN THE MATTER OF THE ESTATE OF
WELLINGTON R. BURT, DECEASED.

.....

To the Probate Court:-

Your petitioners, George R. Burt, of Battle Creek, Michigan, and William T. Otis, of Saginaw, Michigan, respectfully represent:

That on October 18th, 1915, by an instrument in writing duly executed by him, Wellington R. Burt sold and conveyed to your petitioners certain interests in certain evidences of indebtedness of corporations organized for the purposes of improving lands by irrigation projects, and at that time duly delivered the bonds representing the investments named and assigned in writing such of said securities as required written assignments; excepting, however, four certain matters which are now represented by:

Certificate No. 75 of the Central Trust Company of Illinois concerning the bonds of the Montezuma Valley Irrigation District, aggregating, according to said certificate, a par value amounting to $106,500.00; also

Certificate of Deposit No. 299 of Chicago Title & Trust Company, Depositary, in connection with bonds of North Denver Municipal Irrigation District, aggregating a par value of $24,500.00; also

Participation Certificate, Class B, No. 381, of Chicago Title & Trust Company, Trustee, representing the deposit of securities the par value of which was $27,168.00; also

Participation Certificate, Class A, No. 1639, Chicago Title & Trust Company, Trustee, representing a par value of $35,910.00.

That each of said certificates was issued to said W. R. Burt and was covered and included in the bill of sale to your petitioners. That it was intended that W. R. Burt should have executed the assignments thereof in order to enable your petitioners to surrender the same and receive any proceeds derived therefrom, but for some reason unknown to your petitioners such assignments were not made. That it is possible that payments may be made upon one or more of the investments represented by said certificates and that such payments belong to your petitioners and if paid should be received by them. That as the matter now stands upon the records of said Trustees and Depositary, payments, if made, will go to The Second National Bank of Saginaw, Michigan, as Special Administrator of said estate and not to your

petitioners, who have been for a long time past the owners and in possession of the evidences of ownership of said property.

Your petitioners therefore ask, that an order may be made by this Court directed to said Special Administrator authorizing the latter, first, to assign said certificates to George R. Burt and William T. Otis, and second, authorizing said Special Administrator, in the event of any payment to it of any earnings or proceeds of said certificates, to pay such amount or amounts as may be received upon said certificates to said George R. Burt and William T. Otis as their sole and separate property.

And your petitioners will ever pray.

George R. Burt

William T. Otis

GEORGE R. BURT and WILLIAM T. OTIS, the above named petitioners, being duly sworn, say that they have each read the foregoing petition by them subscribed and know the contents thereof, and that the same is true according to their, and each of their, best knowledge and belief.

At a session of the Probate Court for the County of Saginaw, held at the Probate Office, in the City of Saginaw, on the Nineteenth day of May, in the year of our Lord one thousand nine hundred and nineteen.

IN THE PROBATE COURT FOR THE COUNTY OF SAGINAW.

In the Matter of the Offer to
Probate the Alleged Will of
Wellington R. Burt, Deceased.

Now come respondents, JANE BURT HAY, of New York City, New York, a daughter of the decedent; EMMA BURT HUTCHINGS, of Detroit, Michigan, a daughter of the decedent; MARGARET ASHLEY, of Toledo, Ohio, a grand-daughter of decedent (being the daughter of his deceased daughter, Hattie May Burt Ashley); GEORGE R. BURT, of Bellevue, Michigan, son of decedent; MARION BURT STONE, of New York City, New York, daughter of decedent, ALICE AMINE BURT, MARY BELL BURT, MARION STONE BURT, of Lexington, Kentucky, grand-daughters of decedent (being the daughters of his deceased son, Charles W. Burt), minors by Samuel H. Halley, their guardian, - being all the heirs at law of said decedent, Wellington R. Burt - and as such heirs at law they object to and contest the allowance and the probating by the proponent in this case of the alleged will and codicils thereto and each of them, of the said Wellington R. Burt, upon the following grounds, viz:

1. For the reason that at the time of the alleged execution of the said alleged last will and testament and each and allof the said codicils thereto, the said alleged testator, Wellington R. Burt, was not of sound and disposing mind and memory, nor mentally nor legally competent to make such alleged last will and testament, or said codicils, or any thereof.

2. That the said Wellington R. Burt at the time of the execution of the alleged will and the codicils thereto, and for many years prior to said times, was not of sufficient mental capacity to know and appreciate his relations and obligations to his children and grand-children, the natural objects of his bounty, and did not understand the nature of the acts he was doing, and was not able to and did not comprehend or appreciate his relations to his children and grand-children, who ought to have been the natural objects of his bounty, wherefore said alleged will and codicils are void.

3. That decedent was at said times of the alleged execution of said alleged will and each of the codicils thereto, and for many years prior to said times, affected with and suffering from prejudices, aversions and delusions relative to the natural objects of his bounty and the subject matter of said alleged will and alleged codicils, and his said unsoundness of mind, prejudices, aversions and delusions entered into, affected and nullified his attempted making of said alleged will and each of the alleged codicils thereto, and said alleged will and each of the codicils thereto are wholly void.

4. That said decedent was at said times, and for many years prior to said times, afflicted with aversions and prejudices against his children and grand-children, by reason whereof he was without capacity to dispose of his property in a rational manner, wherefore said will and said codicils are void.

5. That said alleged will and each of the alleged codocils thereto are void and of no force or effect, because in contravention of the statutes and laws of the State of Michigan, in that, among other void and invalid provisions,

it and each of the alleged codicils do:

(a) Suspend the power of alienation of real estate, contrary to the statutes and laws in such case made and provided.

(b) Accumulate rents and profits of real estate in contravention of the statutes and laws in such case made and provided.

(c) Create perpetuities contrary to the statutes and laws in such case made and provided.

(d) Illegally accumulate personal property, restrain the sale and disposition thereof and withdraw the same from use for illegal periods and in invalid ways and manners.

6. That said alleged will and each of the alleged codicils thereto are void and of no effect, so far as it or they attempt to dispose of lands situated in the States of Alabama, Minnesota and Oregon, because in contravention of the statutes and laws of said states, in that, among other void and invalid provisions, it and each of the alleged codicils do:

(a) Suspend the power of alienation of real estate, contrary to the statutes and laws of said states in such cases made and provided.

(b) Accumulate rents and profits of real estate in contravention of the statutes and laws of said states in such cases made and provided.

(c) Create perpetuities contrary to the statutes and laws of said states in such cases made and provided.

(d) Illegally accumulate personal property, restrain the sale and disposition thereof, and withdraw the same from use for illegal periods and in invalid ways and manners.

7. That said alleged will and each of the codicils

thereto are illegal and void because in contravention of the laws of the State of Michigan forbidding perpetuities in personal property.

8. That said alleged will and each of the codicils thereto are void for remoteness, ambiguity and uncertainty.

9. That said alleged will was not and is not in fact the last will and testament of said Wellington R. Burt, deceased, and that it was not subscribed, declared, attested, witnessed or published as required by the laws of the State of Michigan, for the making and execution of wills.

WHEREFORE, these contestants pray that the allowance and the probate of said alleged will, dated the 8th day of August, 1917, and the codicils dated respectively, September 25, 1917, Codicil dated December 13, 1917, and Codicil dated February 6, 1918, may be denied. And that these contestants may have such other and further relief in the premises as law and justice may require.

At a session of said Court, continued and held at the Probate offices in the City of Saginaw, Michigan, on the 7th day of July, 1919.

Present Honorable Arthur W. Ganschow, Judge of Probate.

On reading and filing the petition of the Second National Bank of Saginaw, Michigan, as special administrator of the said Estate of Wellington R. Burt, deceased, from which it appears that the heirs at law of the said Wellington R. Burt who are contesting the validity of what is alleged to be the last will and testament of the said Wellington R. Burt, deceased, and the codicils thereto, in this Court, and which contest is now pending, have delivered to said petitioner their consent in writing (a copy of which is attached to said petition) that said petitioner be authorized and empowered to pay to the annuitants named in said will and codicils, from the funds and assets of said estate, the various payments, sums and amounts at the times and in themanner provided to be paid to them respectively in and by the terms and conditions of said will and codicils until it is finally determined as to the validity or invalidity of said will and codicils and the same is finally allowed or disallowed as the last will and testament of the said Wellington R. Burt, deceased, and that all sums and amounts so paid by said petitioner be a proper disbursement by petitioner and that it be entitled to credit therefor in its account as special administrator; such consent,

however, is with the understanding and upon the condition that the consent is given and the payments so made shall be without prejudice to the rights of the contestants of said will.

And it further appearing from said petition that the petitioner prays that an order may be made by this Court, authorizing and empowering the petitioner to pay from the funds and assets of said estate to each of said annuitants the annuities and payments provided to be made and paid to them respectively in and by the said will and codicils thereto in the manner and at the times provided for in said will and codicils and in accordance with the consent of said heirs and contestants.

NOW THEREFORE in consideration of the premises, it is hereby ordered that the prayer of said petition be and the same is hereby granted and the petitioner is hereby authorized and empowered to pay from the funds and assets of said estate in its hands to each of the annuitants named in said will and codicils, the annuities and payments provided to be made and paid to them respectively in and by the said will and codicils thereto in the manner and at the times provided for in said will and codicils as in the judgment and discretion of said petitioner may seem best and advisable, and all payments so made by said petitioner shall be a proper charge against said estate and shall be allowed as a proper disbursement from the funds and assets of said estate in the account of the petitioner as such special administrator and the petitioner shall be entitled to credit in its account for all sums and amounts so disbursed and paid out by it from the funds and assets of said estate; and the said petitioner is hereby authorized and empowered to continue to make such payments to said annuitants or any of them only until the final determination of the allowance or disallowance of said proposed will and codicils; the consent of said contestants to and the

making of such payments by the petitioner shall be and is without prejudice to the rights of said contestants in the proceedings now pending in this Court to contest the validity of and the allowance of said will and codicils; this order is not directory or mandatory and shall not be construed as such, but under it, petitioner has the power, right and privilege to make such of said payments and to such of said annuitants as in its judgment and discretion shall seem best; the payments authorized to be made under this order are only to be made to such annuitants as would be entitled to receive the same if the said proposed will and codicils were allowed and admitted to probate as the Last Will and Testament of the said Wellington R. First. That many of the annuitants named and provided for in the last will and testament of Wellington R. Burt and in the codicils thereto, as your petitioner is reliably informed and believes, for a number of years prior to the death of Wellington R. Burt were regular recipients of his charity and bounty and he paid to them regularly certain sums of money for their maintenance and support and they were up to the time of his death dependent upon the money so received by them for their living and support, and on account of his death and the cessation of those payments by him they are deprived of their source and means of support and greatly distressed thereby

Second. The proceedings which are now pending in this Court for the purpose of having the last will and testament of Wellington R. Burt including the codicils thereto allowed and admitted to probate are being contested by the heirs at law of said Wellington R. Burt, deceased, and the matter is undetermined and it will undoubtedly be a considerable time before a final determination will be had upon the allowance or disallowance of said will including the codicils, and the distress and suffering of some of said annuitants will be thereby greatly accentuated; and the said heirs at law are anxious and willing that some provision should be made to take care of and provide for said annuitants during the pendency of the proceedings involving the contest of the validity of said will and codicils.

Third. The said heirs at law of Wellington R. Burt are George R. Burt, son, Jennie Burt Hay, Emma Burt Hutchings and Marion Burt Stone, daughters of said Wellington R. Burt, and Margaret Ashley, grand-daughter of said Wellington R. Burt, being a daughter of Hattie Burt Ashley, deceased, a daughter of said Wellington R. Burt, and Alice A. Burt, Mary Bell Burt and Marion Stone Burt, grand-daughters of said Wellington R.Burt, deceased, being daughters of Charles W. Burt, deceased, son of said Wellington R. Burt; the last three named grand-daughters all being minors and for whom Samuel H. Halley has been appointed general guardian and is now acting as such.

The said George R. Burt, Jennie Burt Hay, Emma Burt Hutchings, Marion Burt Stone, Margaret Ashley, and the said Alice A. Burt, Mary Bell Burt and Marion Stone Burt, minors, by their said guardian, Samuel H. Halley, have executed and delivered to your petitioner a written document bearing date May 10th, 1919, a copy of which is hereto attached and made a part hereof, consenting that your petitioner be authorized and empowered to pay to said annuitants from said estate the amounts as is provided should be paid to them respectively in and by said will and codicils, and that the payments be made at the same time and as directed by said will and codicils, and that such payments be made by your petitioner until the final determination as to the validity of said will and codicils and the final allowance or disallowance thereof; and that all payments so made by your petitioner to said annuitants be allowed in the account of your petitioner as Special Administrator of said estate, whether the will is finally allowed or disallowed or held to be valid or invalid; it being distinctly understood and agreed with said heirs that all payments so made by your petitioner to said annuitants shall be considered and treated as a proper disbursement by your petitioner from the funds and assets of said estate and allowed as such. Such consent on the part of said heirs, however, is so given with the distinct understanding that it is without prejudice to the rights of the contestants of said will, and that any and all payments made pursuant to said consent shall in nowise prejudice the rights of said contestants in the proceedings pending to contest the validity of said will. That accompanying said consent was a letter addressed to your petitioner bearing date May 15th, 1919, signed by E. S. Jouett, Warren, Cady, Ladd & Hill, Weadock & Weadock, a copy of which is hereto attached and made a part hereof, setting forth the conditions upon which said consent is granted by said heirs at law, contestants of said will.

YOUR PETITIONER THEREFORE PRAYS, that an order may be made by this Honorable Court authorizing and empowering your petitioner to pay from the funds and assets of said estate to each of said annuitants the annuities and payments provided to be made and paid to them respectively in and by the said will and codicils thereto, in the manner and at the times provided for in said will and codicils as in the judgment and discretion of your petitioner may seem best and advisable, and providing that all payments so made by your petitioner shall be a proper charge against the said estate and shall be allowed as a disbursement from the funds and assets of said estate in the account of your petitioner as such Special Administrator, and your petitioner shall be entitled to credit in its account for all sums and amounts so disbursed and paid out by it from the funds and assets of said estate.

And your petitioner will ever pray.

Said Otis to have free access to all books, documents and records of the estate at any and all times.

All payments herein provided shall be made each year, according to the provisions hereinbefore made, but shall the income for any year not be sufficient to make all the payments herein provided,

At the expiration #16. of the Trust, as hereinafter provided, all annuities and payments shall cease. In no event shall any annuity or payment provided herein continue after the time hereinafter specified for the termination of the Trust.

In making the foregoing bequests it is my intention that the amounts herein provided to be paid, shall be paid directly and only to the beneficiaries herein named, or their proper guardian, and that no legal title is passed to them that shall be subject to garnishee or attachment by creditors, or that they can make any transfer of, either by order or assignment, or any other document, which could be binding upon or accepted by the Trustee and Executor. The Trustee and Executor is not authorized to pay on any such #17. order or transfer, but the funds shall remain in the Trust, to be paid only to each beneficiary, or their proper guardian, at the times stated herein, until they shall cease to be beneficiaries, according to the terms and conditions herein provided. All payments to be made directly to each beneficiary or their proper guardian, who shall, at that time, receipt to the Trustee and Executor therefor, and the Trustee and Executor shall accept no other receipt except for the money actually paid to each beneficiary or their proper guardian.

All funds arising from income from securities belonging to the estate, or from the payment of securities themselves as they may be paid or as they may become due, or from the proceeds of the sale of anything belonging to the estate, or from royalties from iron mines, or from any other source, after making all the payments herein provided, the surplus funds remaining on hand shall be invested every Thirty days, as nearly as may be, by the Trustee and Executor, in United States Government bonds, State bonds or bonds of the Cities of New York, Chicago
#18 or Detroit, Michigan, so long as they shall yield Three percent or better. No bond shall be purchased for the estate which cannot be listed under Michigan laws with the County Treasurer as to taxes. The iron mines, iron mining stocks or interests in iron mines located in the State of Minnesota, of which I may die possessed, shall not be sold or in any way encumbered by the Trustee and Executor. All the iron mine leases in Minnesota shall continue as now leased. All
#19. other real estate shall be disposed of from time to time as the opportunity occurs, at the best prices obtainable, and the proceeds of such sales shall be invested in the manner hereinbefore provided for surplus funds.

The Trust herein created shall continue for and during the period of the lives of my two grandsons, Wellington Burt Hay and Wellington R. Burt. Upon the death of the last survivor of these two grandsons, all the real estate remaining in the Trust shall be distributed among my legal heirs, but all personal property shall continue in the Trust for Twenty One years after the death of my last surviving grandchild that shall be living at the time of my death, and shall be subject to the terms and conditions hereinbefore set forth. At the end of Twenty One years after the death of my last surviving grandchild that shall be living at the time of my death, the Trust shall terminate and all the funds of every name and nature remaining in the Trust shall be distributed to my legal heirs.

#20.

As compensation for the carrying out of the provisions herein contained the Trustee and Executor is to have One half of One percent on all moneys received from the estate to cover all their services for receipts and disbursements. However, should One Half of One percent on the receipts from the estate amount in any one year to less than Three Thousand Five Hundred ($3.500.00) Dollars, then, in that event, the Trustee and Executor is to have as compensation for its services for that year a sum from the funds of the estate, which taken with the One half of One percent on the receipts received for that year shall make a total of Three Thousand Five Hundred ($3,500.00) Dollars as compensation to the Trustee and Executor for that year. In other words the Trustee and Executor shall receive One half of One percent on all receipts from the estate

#21.

even if such sum shall exceed Three Thousand Five Hundred ($3,500.00) Dollars in any one year, but if One Half of One percent is less than Three Thousand Five Hundred ($3,500.00) Dollars in any one year enough shall be taken from the funds of the estate to make the total up to Three Thousand Five Hundred ($3,500.00) Dollars as remuneration to the Trustee and Executor for that year.

The Trustee and Executor shall make a yearly report in detail to my son, George R. Bunt, # 22. as to the condition of the estate.

In the event of the Trustee and Executor herein named being for any reason unable to carry out the terms and conditions as herein stated, or to perform the duties as Trustee and Executor, then the Court of Record, having jurisdiction over such matters, shall appoint a Successor, who shall be some Bank or Trust Company having a paid up capital of at least Five Hundred Thousand ($500,000.00) Dollars, which Bank or Trust Company upon receiving # 23, such appointment shall be qualified and vested with all the powers of the Trustee and Executor herein named, and shall carry out the Trust to its final termination, in accordance with the terms and conditions herein specified, application for such appointment being made by any one who may be interested as a beneficiary or final distributee.

Your petitioner, The Second National Bank of Saginaw, Special Administrator of the above estate, represents, that under the laws of the United States and the State of Michigan it is the duty of the representatives of estates to submit to the courts full knowledge of all property owned by estates and to pay within specified times the taxes imposed thereon;

To the Probate Court:

Your petitioner, Special Administrator, respectfully represents:

That the time within which payment of Federal Estate Tax and Estate Tax to the State of Minnesota must be made is rapidly passing; that the amount involved is large, and that your petitioner feels that special precautions should be used in determining present value of royalties accruing in the State of Minnesota, and that such determination should be upon such basis as would be just to all interests involved.

Your petitioner therefore represents that it has taken the expert opinion of Rukard Hurd, General Counsel in Mining Engineering and authority upon mining and lease valuations and general taxation; that his opinion has been furnished to your petitioner and will be used for the benefit of said estate in connection with said matters; that the charges of said Rukard Hurd for services rendered are Twenty-five Hundred Dollars ($2500.00), which your petitioner believes are reasonable and should be paid.

Your petitioner therefore asks for an order of this Court authorizing the payment of said bill and that when so paid the same shall be allowed in the next account of your petitioner hereafter to be rendered.

And your petitioner will ever pray.

ABSTRACT OF TAXABLE INHERITANCES.

VOLUME NO. VI PAGE NO. 125

2708—11-18-6M

State of Michigan.

The Probate Court for the County of Saginaw.

At a session of said court held at City of Saginaw, in said county the Twenty Sixth day of February A. D. 1920.

Present, the Honorable Arthur W. Fauchier, Probate Judge.

In the matter of the inheritance tax upon transfers in the estate of Wellington R Burt, deceased.

In this matter it being represented to me and appearing that the said deceased was at the time of his death on the 2nd day of March, 1919, a resident of* Saginaw Mich, and possessed property, the transfer of which or some interest or estate therein is taxable under the inheritance tax law (Act 188 of 1899 as amended) that Second National Bank of Saginaw Mich was duly and regularly appointed Administrator of the said estate and duly qualified and that as appears from the inventory on file in this court, the amount of property belonging to said estate is stated to be as follows:

Personal property, $ 7970904 33/100; real property, $ 12405 00.

It further appears and I hereby find that the debts of said deceased owing at the time of his death (exclusive of interest accruing thereafter) amount to $ ——; that the funeral expenses of said deceased amount to $ ——; and that the expenses of administration of the estate of said decedent (exclusive of all items of disbursement for repairs to buildings or other property belonging to, or taxes accruing after death, upon the estate of said deceased, all allowances for the support of widow and children of said deceased, expenses incurred in contesting the will of said deceased, and other items of disbursement for the benefit of the beneficiaries of said estate, not strictly expenses of administration) amount to the sum of $ ——; the total debts and expenses of administration being $ ——.

After due and careful investigation, examination and consideration, I find and determine that the clear market value of all of said decedent's personal property and real estate, at the date of his death, was as follows:

Personal property, $ 7970904 33; real property, $ 12405 00;

and that after deduction therefrom of the total debts, and expenses of administration (debts secured upon realty being deducted from the value of the real estate, and debts unsecured and secured on personalty being deducted from the value of the personalty), there remains subject to taxation under the provisions of said act, before deducting statutory exemptions, transfers of personal property to the amount of $ 6230904 33; and transfers of real property to the amount of $ 12405 00; and that of said transfers certain interests hereinafter set forth in detail in the schedule hereto are not presently taxable by reason of the following contingency, rendering it impossible to determine presently the value of the interests passing and the amount of the tax thereon, namely One Million Seven hundred forty thousand xxx ($1740000.00)

And I hereby find and determine that the tax upon the presently taxable transfers in said estate amounts to the sum of $ 76229 04; and find that the several names, residences [and] relationships, and ages where interest consists of life estates or annuities, of the several beneficiaries, together with the character and amount of the several interests or estates passing thereto, the rate of tax to which each is subject, and the portion of the tax fixed upon, apportioned to, and required to be borne by each of the several taxable transfers, is as set forth in detail in the following schedule:
